

VIDYAVARDHAKA COLLEGE OF ENGINEERING

Autonomous Institute Affiliated to VTU, Belagavi
Gokulam 3rd Stage, Mysuru - 570 002

Department of Mechanical Engineering

Accredited by NBA, New Delhi (2020-2023)
and "A" Grade by NAAC (2018-2023)

CERTIFICATE OF APPRECIATION

Name of the Student: **SHRINIDHI H M**

USN: **4VV18ME130**

Branch - Semester: **MECHANICAL ENGG. - SEVENTH**

We certify that the above student has coordinated and organized a two day hands-on workshop titled "**RC Aircraft Design & Modelling**" through "**Vymanika**" - SAE Aero Modelling Club of Department of Mechanical Engineering, Vidyavardhaka College of Engineering, Mysuru on **February 7th and 8th, 2022**.

The organizer has imparted and demonstrated the below to participants :

- Overview of Aerodynamics
- Basic structure and components of Aircraft
- Basic understanding of Aero design and Modelling
- Construction and Assembly of RC Aircraft
- Flying of the self built RC Aircraft
- Regulations governing flying of Unmanned aircrafts

The purpose of organizing the workshop through students was to compliment the outcome based curriculum by enabling them to demonstrate communication, team working and leadership skills. The student has successfully organized and communicated the contents of the workshop effectively.
